

## Year 2 Summary of Term's Work - Autumn 2022

<b>Maths</b>	<b>English</b>	<b>Science</b>	<b>R.E.</b>
<p>This term, we will be working on practising our 2 times table probes. We have also started a new maths scheme which is called Maths No Problem which allows the children to explore, discuss and question. It allows the children to be more independent and work both in groups, partners and independently. This term we will be covering: number and place value, addition and subtraction, multiplication and division, length and mass.</p>	<p>In English, Year 2 will be completing Read Write Inc which is our phonics scheme in school. Your child will be put into a specific group based on their sound gaps and the children will be given a reading book linked to the group they're in which will help them to close the gaps. We will listen to your child read in school and if you listen to them read at home too it will help them close the missing gaps quicker. On a Friday, Year 2 will be completing some independent writing and focus on using the correct punctuation, capital letters and using what they have learnt in phonics to spell as accurately as possible.</p>	<p>This term, we will be looking at Living things and their habitats. The children will be able to name different plants, animals and micro animals and their habitats. We will also look at how different habitats provide the basic needs of different kinds of animals and plants and how they depend on each other. The children will look at simple food chains and we will do lots of practical activities too.</p>	<p>In R.E this term, we will be thinking about Family, Baptism and Advent. In December, we will also be practising hard for the Nativity. We will also look at our Monthly Values in depth and think about how these link to the Bible and our everyday lives.</p>
<b>Geography/History/Art/Music</b>	<b>P.E.</b>		<b>Other Information</b>
<p>During this term, we will be looking at The Gunpowder Plot, Remembrance Day and the First World War in History. In Geography, we will be focusing on Continents, Seas and Oceans and naming and locating them. Both topics will incorporate Art skills based on drawing, painting and collage. The children will also complete pictures based on the artist Kandinski. In Music, we will be listening to and practising different songs linked to the Nativity.</p>	<p>P.E. is on a Monday and a Tuesday afternoon - please make sure your child has their kit, (including suitable footwear) in school. Please remove all jewellery. However, starting Wednesday 21<sup>st</sup> September, Year 2 will have Judo on a Wednesday afternoon up until half term instead of their normal P.E. slot on a Monday. They will be practicing and learning new skills.</p>		<p><b><u>Reading-</u></b> Please listen to your child read and read to them as this helps with their reading and comprehension skills.</p> <p><b><u>General-</u></b> Please don't hesitate to contact me either through school or via email- <a href="mailto:year2@st-patricks-pri.lancs.sch.uk">year2@st-patricks-pri.lancs.sch.uk</a></p>

**Thank you for your support and help this term- Miss Jones**
