

Year 1 Learning Overview - Autumn Term

Maths	English	Science	R.E.
<p>In Maths we will be learning about numbers to 10 and number bonds. These topics will include lots of counting, representing numbers in different ways, finding more/less and finding different ways to make numbers. We will also be learning addition and subtraction within 10. This will involve finding different ways of adding and taking away using a variety of strategies. We will then move on to learning about numbers 11 to 20, learning to count, write, compare, order and spot patterns.</p>	<p>In English we will be doing Read Write Inc Monday-Thursday and a writing lesson on a Friday. In Read Write Inc your child will be taught sounds and blending and segmenting skills in order to increase their accuracy with word reading. We will also spend time in each lesson reading a book to increase their fluency and comprehension skills. There will be writing tasks throughout the week, linked to the story they have been reading. On Friday's we will be completing a piece of writing, with a story theme. The focus of these lessons will be to develop sentence writing, including application of the sounds they know to write words, use of capital letters, finger spaces and full stops.</p>	<p>In Science this term we will be learning about Animals, including Humans. We will learn the names of parts of our bodies and faces. We will also find out about our senses and put them to the test in an experiment. We will learn the names of different animals and group them according to their structure. We will also find out about what they eat and group them according to whether they are carnivores, herbivores or omnivores.</p>	<p>In R.E this term we will be learning about Families, Belonging and Baptism. We will also learn about the Christmas story and join in with Jesse Tree stories.</p> <p>We will spend time thinking about our monthly values and listening to Bible stories linked to these.</p>
Geography/History/Art/Music		P.E.	Other Information
<p>In Geography we will be learning about Autumn and Winter, comparing their similarities and differences. We will also be finding out about our school and grounds and the local area. In History we will be looking at The Gunpowder Plot, Remembrance Day and the First World War. In Art we will be using a range of materials creatively to do some Remembrance Day themed poppy art. We will also be creating a card at Christmas using paint and experimenting with colour, texture and shape. In Music we will listen to a selection of recorded music and begin to play untuned instruments musically. We will also be using our voices expressively and creatively to practice and perform songs for our Nativity performance.</p>		<p>In P.E. we will be learning and developing ball skills. These will include rolling, catching, bouncing and throwing. We will also be doing Dance; learning to move like robots.</p> <p>P.E. is on a Wednesday and a Friday. Please ensure your child has their P.E. kit in school, this needs to include a T-shirt, shorts and pumps/trainers. Please can jewellery, including earrings, be removed on these days.</p>	<p><u>Reading</u> Please listen to your child read as often as possible. This helps to develop their word reading skills, accuracy and fluency.</p> <p><u>Nativity</u> We will be doing a Nativity show in December. Children will begin to practice regularly after October half term. More information will be given nearer the time.</p>

Thank you for your continued support. Miss Taylor
